

CASE STUDY

PHAROS

OFFSHORE GROUP

Achieving an ISO quality management certification can pay huge dividends for any business in terms of improved efficiency, productivity and customer satisfaction.

Pharos Offshore Group, the world-class supplier of specialist equipment, manpower and engineering in the subsea industry successfully established itself as a true authority in the market and recognises how ISO standards help when it comes to meeting the needs of its customers.

Supported by Pentagon Assurance the business has recently successfully completed the rigorous ISO 9001:2015 re-certification process for another term. In addition, Pentagon Assurance are now supporting Pharos with ISO 14001 Environmental Management and ISO 45001 Occupational Health and Safety Management systems to improve other key business processes.

Location:
North East

Sector:
Subsea

What our client said:

"We are proud of our commitment to quality. Client satisfaction is at the centre of everything we do, and this ISO certification assures our clients that we continue to prioritise robust quality, reliability and durability in our complete service offering, today and in the future."
