

Anti Bribery Training

This online training course has been designed to use by any employee who could possibly be exposed to bribery in the workplace. It covers what is defined by bribery and what actions that may not seem like bribery legally count as a bribe.

The course helps the user understand parts of the Bribery Act 2010 that applies to them, understand what happens if they fail to prevent bribery, and know the common indicators of a bribe.

COURSE CONTENTS

The course covers the following elements:

- The Types of Bribery
- Failing to Prevent Bribery
- Bribes, Gifts and Hospitality
