

Drug and Alcohol Awareness

This online Drug & Alcohol Awareness Training course has been designed to assist all levels of employees with the knowledge to recognise signs of substance abuse. The course gives the user a clear understanding of the effects of addiction and how to best intervene.

The training course can be completed in just 25 minutes and provides the user with a printable certificate upon completion of the end-of-training test.

COURSE CONTENTS

The course covers the following elements:

- The Problem with Drugs and Alcohol
- The Effects that Drugs and Alcohol Can Have on Health
- People and Policies
