

# First Aid At Work - Refresher

This online training course should be used in between practical training as a refresher, and it should not be used in replacement for face-to-face practical training. It is designed to be used by all levels of first aiders.

The course aims to refresh the users knowledge on what is included in a primary & secondary survey and also refreshes their knowledge on first aid treatment & procedures.

## COURSE CONTENTS

The course covers the following elements:

- The Primary Survey
- The Secondary Survey
- First Aid Treatment
- First Aid Procedures for
- FULL First Aiders
