

# First Aid Requirements and RIDDOR

This online training course has been created to help your organisation understand your first aid requirements. It also highlights what needs to be considered and reported under RIDDOR.

This course aims to work towards compliance with current legislation, gain an understanding of your organisation's health & safety requirements, and know exactly what must be reported.

## COURSE CONTENTS

The course covers the following elements:

- Health and Safety Requirements
- What is RIDDOR?

SHAPING THE WAY BUSINESSES OPERATE
