

Returning to Work After Covid 19

To help with a safe and smooth transition back to the workplace during and after the COVID-19 pandemic, this course covers areas and topics that should be considered before returning to work, and it also looks at what an employee can expect on their first few days and weeks back at work.

The course has been designed for the use of all levels of employees, whether they have been working from home for an extended period or have been furloughed.

COURSE CONTENTS

The course covers the following elements:

- Returning to work after Covid 19

SHAPING THE WAY BUSINESSES OPERATE
