

Whistleblowing

This online training course is designed for all levels of staff and provides the user with information on what a whistle-blower is, the laws surrounding whistle-blowers, and what constitutes as whistleblowing.

The course aims to teach the user how to handle and store disclosure records and the importance of following up once they have raised a concern.

COURSE CONTENTS

The course covers the following elements:

- Whistleblowing
- Whistleblowing Policy
- Follow Up

SHAPING THE WAY BUSINESSES OPERATE
